

Constituents of Wisconsin's 4th Congressional District are able to request and purchase flags that have been flown over the United States Capitol through my congressional office. For requests that a flag be flown on a particular day, please make sure you send your flag form and check at least a month in advance to allow for processing time.

Below is an order form and price list to use if you would like to request a flag.

If you have questions, please call (202) 225-4572, and request to speak to the staff person handling flag requests.

A field with an asterisk (*) before it is a required field.
